

AISC R/C preparation Checklist

1. Need a good boat for RC.
2. Need to pick up flags and RC stuff from POP stop.
3. Need to have a spot light, for reading sail #'s if it gets dark and head lights so you can see what we are writing down.
4. Need stop watches and a digital watch that has seconds and minutes for finish times of each boat. (Do you have one?)
5. US Sailing racing rules book.
6. Cable ties to tie flags to boat if boat doesn't have built in flag holders.
7. Need complete copy of the SI's off the AISC website (In color, so you can distinguish the flag colors.) There should be copies in the storage box at the POP stop.
8. Need copies of scratch sheets and finishing sheets. There should be copies in the storage box but to be safe print your own off the web site.
9. An audio recorder is good to have to record finish times/sail numbers.
10. Help to sort out after if there is any confusion
11. VHF Radio (Use channel 68).
